

FlexRad™ Light Products — Limited Warranty Statement

MetroSpec Technology, LLC (hereinafter “MST”) warrants to the original PURCHASER that FlexRad lighting products will be free from defects in materials and workmanship under normal use and for a period of one (1) year from the original date of shipment to the PURCHASER. This Warranty applies only to the original PURCHASER of the Product and only if the Product has been properly assembled, installed, and operated.

Should any failure to conform to this warranty appear within the warranty period, after the date of shipment to the PURCHASER, MST will, at its option, repair, replace (less shipping costs), or refund the purchase. This warranty is void if any MST product identification or serial number has been removed or defaced, or if the Product has been modified. The warranty is also void if proper ESD (Electrostatic Discharge) or cleanliness precautions are not taken when handling or installing the Product.

This warranty does not apply to degradation of color or light output, to the finish (i.e. paint or plating), or to normal “wear and tear” of wearable parts such as connectors or wiring, and does not apply if maintenance performed and/or damage caused is a result of modification, alteration or repairs performed by anyone other than MST or its designated representatives. Misuse of the product as defined by MST includes, but is not limited to, improper installation, mechanical damage of any kind, over voltage or over current, overtemperature operation, accident, abuse, neglect or an act of God.

No warranty of any kind, statutory, implied or otherwise, shall apply to secondhand or used MST products.

THE WARRANTY SET FORTH ABOVE IS THE ONLY WARRANTY. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

THE PRODUCT IS NOT WARRANTED TO MEET THE REQUIREMENTS OF ANY SAFETY CODE OF ANY STATE, MUNICIPALITY OR OTHER JURISDICTION AND PURCHASER ASSUMES ALL RISK AND LIABILITY RESULTING FROM ITS USE.

ANY IMPLIED WARRANTY WHICH BY LAW MAY NOT BE EXCLUDED IS LIMITED IN DURATION TO THE ABOVE SPECIFIED TIME PERIODS FROM THE DATE OF THE ORIGINAL RETAIL SHIPMENT OF THE PRODUCT.

MST SHALL NOT BE LIABLE FOR SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING BUT NOT LIMITED TO, LOST PROFITS, INSTALLATION, DOWN TIME, TRAVEL TIME OR LOSS OF USE) UNDER ANY LEGAL THEORY, EVEN IF MST WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

The remedies of PURCHASER set forth herein are exclusive and are the total liability of MST with respect to any contract, or anything done in connection therewith such as the performance or breach hereof, or from the manufacture, sale, delivery, resale, installation or use of products whether arising out of contract, negligence, strict tort, or under any warranty, or otherwise, and the totality of MST’s liability shall not exceed the purchase price of the products upon which liability is based.

MST reserves the right to change Product design without notice. In situations in which MST has changed a Product design, MST shall have no obligation to upgrade or otherwise modify previously manufactured Products.

No MST dealer, agent or employee is authorized to make any modification, extension or addition to this warranty.

Products covered by the Warranty:

FlexRad™ light systems and assemblies.

Products not covered by the Warranty:

Wiring, cables, and optical components. Any component or damage caused by any component originally provided by the PURCHASER. All products sold by MST, not manufactured by MST.
